

Every Child, Every Chance, Every Day; Working Together.

11th November 2021

POLYTUNNEL OPEN MORNING!

Dear Parent/Carer,

As some of you are aware, Crabtree has its very own polytunnel!

We would like to invite you all to an open morning on **Tuesday 16th November** from **8.50am until 10.30am** in our polytunnel!

Once you have dropped your children off at their classrooms pop round to see us!

The polytunnel is located behind the Early Years unit and you can get to it by walking through the playground as far as the field, and turn left- you can't miss it, it is huge!

This open morning will be an opportunity for you to do the following-

- Have a look inside the polytunnel and chat to the staff that are working in there.
- Help us with watering and potting on jobs that we will be doing that morning.
- Pass on any ideas or gardening tips that you have for us!
- Buy some of the plants, hanging baskets and baskets of flowers we have available.

We will be serving tea, coffee and biscuits!

We would love to see as many of you as can make it, you can stay for 10 minutes or an hour, it is totally up to you!

Yours sincerely

The Gardening Team.
